LEGISLATION

Sir,

Subject - Estimate for the construction of 7 shops in the vacant land to the East of Mr A N Raghavachar's House in Chamaraja Road

---

I have the honour to state that with a view to beautify Chamaraja Road and keep the above vacant space there sanitary and at the same time to get some return for the money invested, it was considered very desirable to have a row of shops constructed in the vacant land to the east of Mr A N Raghavachar's house and accordingly an estimate for Rs 12,500/-, was got prepared in March 1946 and it was sanctioned by the Council in their resolution No 881 dated 30-3-46 In the above estimate provision had been made for the construction of 6 shops and 2 latrines and 4 urinals As subsequently it was thought that these urinals etc, would be a source of nuisance in this important road, the estimate was modified omitting the latrines and urinals, provision being made for the construction of seven shops only, instead of six shops, for the same amount of Rs 12,500/- This was sanctioned by the Council in their resolution No 1225 passed at the meeting held on the 10th July 1946

In enclosing herewith a copy of the resolution as also the plan and the estimate for the work, I request you kindly to obtain sanction of Government to the estimate and return the same for further action being taken in the matter Provision for the work has been made under 'D 1-Original Works' in the current year's Budget

Sir,
